

EUSALP ANNUAL FORUM 2020

*The sustainable and resilient Alpine
region is preparing in EUSALP action
groups*

Action Group 3

Mission and themes

AG 3 mission: to improve the adequacy of the labour market, education and training in strategic sectors. Our aim is to improve the quality of dual education, to create a common macro-regional educational area in which professions and their certificates are mutually recognised and facilitate the mobility of people.

AG 3 Main themes: dual training, skills and competences, labour market

2021- Main actions

Dual training: promotion of tertiary level education and training paths:

- deepen the promotion of the quality of in-company training by strengthening the skills of trainers and activating support services for the provision and evaluation of training;
- design and test novel education formats combining vocational training and higher education;
- design an ad hoc format for continuous lifelong learning possibilities for workers in handicraft sectors (focus on digital and green jobs)

Skills and abilities: identification of the criteria for the host company in order to entrust youngsters in training and growing (in terms of personalities, values, from an healthy and ethical point of view).

Output: adoption of UNI reference practices

Labour market: special focus on digital and green jobs by acting on the vocational training for students and designing life- long learning activities (upskilling and reskilling)

2021- Intersectoral initiatives

AG 3 joins 4 of the Strategic priority areas

- A Carbon neutral Alpine Region
- Smart Villages
- Innovation Hub for Green Business
- EIF: EUSALP Innovation Facility
